## 14 MORE CONCORD STUDENTS EARN AP® SCHOLAR AWARDS!

FOR THE SECOND TIME —  
14 CONCORD STUDENTS EARN HONORS

**F**ourteen students at Concord High School (usual enrollment: 100 students), have earned the designation of **AP Scholar** by the College Board in recognition of their exceptional achievement on the college-level Advanced Placement Program® (AP®) Exams.

The College Board's Advanced Placement Program offers students the opportunity to take challenging college-level courses while still in high school, and to receive college credit, advanced placement, or both for successful performance on the AP Exams. Only about 18 percent of the more than 1.4 million high school students in almost 16,000 secondary schools worldwide who took AP Exams performed at a sufficiently high level to merit the recognition of AP Scholar.

Students took AP Exams in May 2007 after completing challenging college-level courses at their high schools. The College Board recognizes several levels of achievement based on student's performance on AP exams.
